THE COMPANY

miniBUD is the official airport shuttle service provider for Budapest Airport. They provide comfortable, fast and favorable transfer solutions for passengers wishing to travel from the airport to the districts of Budapest, and from the city to the airport.

By taxi

Főtaxi, the taxi company with the longest traditions (founded 1913) in Hungary transports passengers between the terminals and Budapest. Főtaxi's several hundred cars, trained and experienced colleagues ensure a safe basis to satisfy passengers' needs at a high standard.

Taxi drivers speaking at least one foreign language are in service with large, category 'A' cars younger than five years. All cars are equipped with a POS terminal, therefore credit cards are also accepted.

Reservations can be made in person at the Főtaxi booths located at the exits at Terminals 2A and 2B. At the taxi rank in front of the stands, taxis are parking continuously waiting for passengers.

From 1 September 2013 a new Taxi Decree was introduced in Hungary regulating the price* of the taxis at a fixed tariff of 280 HUF/Km (0.95 EUR/Km) in addition to the one-off basic fee of 450 HUF (1.50 EUR) and waiting fee. A ride to the city center should typically cost around 6500 HUF (22 EUR) depending on traffic conditions.

Please be aware of exposing yourself at risk by using non-regulated taxi service providers soliciting at the terminal buildings.
